Assignment – Elements of Design

A. Using magazines, find pictures that illustrate some aspect of the following elements of design. At least 1 picture for each element must be included.

1. Space
2. Line
3. Form
4. Texture

Under each picture, explain how the design element is used and what effect it has on the room.

B. Find a picture of a furnished room that you like. In a short paragraph, explain how the elements of design were used to create the total effect in the room.
