1. Iron T-shirt with iron to flatten the fabric.
2. Flip T-shirt in-side-out so you can look at the WRONG SIDE of the fabric with the seams showing.
3. Lay T-Shirt flat on the table and use pins to secure bottom of T-shirt.
4. Sew a straight stitch line along the bottom hem of the T-shirt.
REMEMBER to BACKSTITCH!
5. Set sewing machine to zigzag setting.
Sew a zigzag line between the previous straight stitch line you made and the bottom edge of the T-shirt.
REMEMBER to BACKSTITCH!

6. Still working on the WRONG SIDE OF FABRIC, Use a sharp scissor to cut off the neck line and the sleeves.

7. Flip raw fabrics of the neck line and sleeves 1 cm in twice. Use pins to secure the fold.

8. Use thread and hand sewing needles to sew the folded edges. Be neat and even with your stitching.

9. Personalize the front side of your T-bag.
